Vale da Pinta – New Property

T1 + 1 Apartments – Off plan

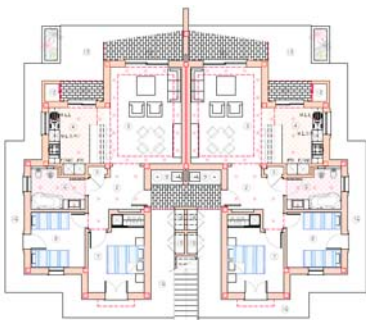

This exclusive development of twelve luxury T1+1 apartments, now under construction, is not far from the beautiful Pestana Vale da Pinta clubhouse. These luxury low rise low density properties, will be composed of three blocks, each comprising four apartments and will offer the change to become part of a vibrant golf community in one of the most sought after areas of the Algarve.

The properties will meet the luxury standards expected from Pestana Golf Resorts and each apartment will consist of a spacious lounge with dining area, bedroom & study, plenty of storage space, luxury interior fittings, including fully fitted kitchen, granite worktops and splash backs, the latest high tech kitchen appliances, breakfast bar, tastefully tiled modern bathroom, large patios and lush green communal gardens shaded with palm, carob, fig and olive trees and also provided with a generous amount of parking.
